

# Rescue Me

## Verse 1:

Am<sup>7</sup> C  
'Cause Your love is better than life  
F  
My lips will always praise You  
Am<sup>7</sup> C  
Peace has escaped me as I lie awake  
F  
Through the night awaiting  
Am<sup>7</sup> C  
I have never been more patient  
F  
Than when I anticipate You  
Am<sup>7</sup> C  
And I lie on my back and let the tears  
F  
Run down my neck like intercession

Interlude: Am<sup>7</sup> - F - G - Em (2x)

**Verse 2:**

Am<sup>7</sup> F G  
Am I just scared  
Em Am<sup>7</sup> F  
That I might really hear Your voice  
G Em  
And I know it deep inside  
Am<sup>7</sup> F G  
'Cause then I turn  
Em Am<sup>7</sup> F  
And give the keys to my fears  
G Em  
And let them steal You away

Am I just scared  
Em Am<sup>7</sup> F  
'Cause I really hear Your voice
