

There Is None Like You

Chorus:

E^b B^b C_m
There is none like You,
A^b E^b F_m B^b
No one else can touch my heart like You do.
E^b E^b/D^b A^b
I could search for all eternity long and find:
E^b B^b E^b
There is none like You

Verse:

 C_m G_m
Your mercy flows like a river wide,
 A^b E^b
And healing comes from Your hands.
 C_m G_m
Suffering children are safe in Your arms,
 A^b F_m B^b
There is none like You
